THE 1957 TOWER

EGYPTIAN EDITION

UNIVERSITY SCHOOL, CARBONDALE, ILLINOIS

DEDICATION

We, the 1957 TOWER STAFF of University School, proudly dedicate this edition to our senior faculty member, Miss Bach.

Her boundless understanding and abilities have helped many of her students in class work as well as in extracurricular activities.

Miss Bach, a past yearbook adviser herself, truly deserves the admiration and graditude of her students.

We sincerely hope her future years of teaching will be as successful as those in the past.

APPRECIATION

Under the expert guidance of Miss Margretta Carey, the vocal section of our University High School Music Department has exponded. A glee club, mixed chorus, madrigal group, and various ensembles, as well as music courses, have taken their place in our school.

Although Miss Corey is no longer teaching here, we hope that those who contact her in the future will benefit, as we did, from her outstanding musicianship and leadership.
